

Let us create a custom
test prep solution
JUST FOR YOU!

Need to get ready for the SAT®?

Check out these great options!

SAT Check-up

Not sure where to start? Here is a great way to figure out what to do next...

Take and review the practice test. Discuss the result with one of our specialist and formulate a plan so you can get ready for the real deal.

SAT Boot Camp

Time is precious? SAT Boot Camp may be the solution for you.

In addition to the SAT Check-up you spend 3 hours with an instructor to review test taking strategies and learn a few tricks that will prepare for test time.

SAT Prep

A complete test prep solution.

Includes on-line lessons, additional practice tests and instruction with our experienced teachers.

Focus on specific subject-area skills and test-taking strategies to help increase test scores.

Choose the option that works best for you:
